

## Ireby CofE Primary School

**Our vision:** 'Created to do Good' Ephesians 2:10  
**Our Christian Value** this half-term is **Friendship:**

Friendship is an undisputed value in our society, with children often spending more time with their friends than with family. Jesus was often criticised for being 'the friend of sinners' and eating with those whom society rejected. Sharing a meal with someone is an explicit sign of friendship and the word 'companion' literally means 'one with whom you share bread.' Barriers between people are broken down in a loving community around God and Jesus had stern words to say to those who refused to recognise that all are included in this community of friendship.
